Subject.-Sanction to the Toll establishment at Kankanhalli Town Municipality

I have the honour to state that the Kankanhalli Town Municipal Council have resolved at their meeting held on 10-4-1943 that the collection of tolls and shandy fees may be done departmentally from the year 1943-44 as per suggestion contained in the circular memorandum No L 6761-71 Ml 131-39-3 dated 1-2-1940 of Government and accordingly request sanction to the appointment of 8 toll gate keepers on Rs 10/- per mensem It is reported that the octroi Manegar with the help of the existing staff can look after the shandy fees collections and that no extra staff is necessary for this item Provision has been made in the budget for the year 1943-44 towards the initial

initial charges

There are four toll gates in the Municipality As this is first year of departmental management the system has to be watched for some time from the finacial point of view The appointment of 8 gate keepers on Rs 10/- each per mensem is rather heavy and may not be required for the present . Hence provision has been made for the appointment of only 6 toll gate keepers (one for each gate and 2 relieving keepers) on Rs 10/- each in the draft budget estimates of the Municipality which has been sent for sanction separately. As regards the collection of the sandy fees, the proposal of the Municipal Council may be approved I request that sanction of Government may be kindly obtained to the appointment of 6 toll gate keepers at Rs 10/- each per mendem for a period of one year from 1943-44 as a temporary measure . I have issued orders to the Amildar President to appoint the above staff pending sanction of Government to the proposal in view of the urgency of the matter. The connected papers accompany for favour of reference.

I have the honour to be, Sir,
Your most obedient servant,
